SURGERY NEWSLETTER

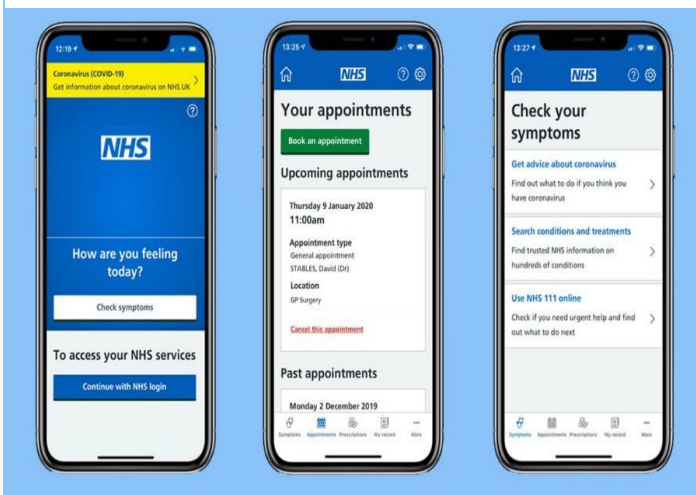

July 2021

Welcome to this month's newsletter!

The NHS App

The NHS App is a simple and secure way to access a range of NHS. It's becoming increasingly important as it will also be used to prove your [COVID-19 vaccination status](#) for international travel.

The NHS App is a great resource to find your information in your own time, it's instinctive to Google something you're unsure about, but it's not the place to go for accurate up to date health advice – why not search to App to find the answer?

How to register at Padgate Medical Centre

GO TO

www.padgatemedicalcentre.co.uk and choose 'New Patient Registration' and complete the online registration form.

eConsult Requests

eConsult requests for non-urgent help which are available at www.padgatemedicalcentre.co.uk

Alternatively, visit the local pharmacy for clinical advice on minor health concerns.

If you need medical advice or treatment, please visit the e-consult section of our website and send us your query. **Our opening hours are 08.00am – 18.30pm Monday to Friday.** If you do not have access to the internet our Patient Advisers will be happy to help and assist in completing your online request (this may require our Patient Advisers to call you back). Please ring the surgery on 01925 815333.
